

Nursery Weekly Newsletter

Friday 18th March 2022

Home Learning

Please share a story each night with a grown up or older sibling

Hello there, parents and carers,

This week has been a different week for me, as I have been home with Covid! I've been well so I've missed nursery so much. Meanwhile we have had the amazing substitute Mrs Gubby working with the children. Along with the usually amazing Mrs Hewings, Mrs Blake, Miss Davidson and Miss Helliwell, all there continuing the good work.

There have been some crafts in the making for a very special date in the calendar (27th March), and some outdoor fun. As you may or may not know we have a big outdoor decking area, and a new big climbing frame, mud kitchen and cable reel. This area is so lovely the children truly thrive out there. We have been working on making it amazing and have some more new play pieces on order. The idea is that this area is all natural, so the outdoor environment is still an important learning environment but with different resources.

There's counting wooden logs, and letter sounds on pebbles. I hope this area when its complete will really encourage all types of learners.

Any questions please feel free to ask any of us.

Kind Regards

Miss Cole and the team.

I am Proud award

Little Cubs – All children for adapting to change.

Little Chameleons- Lilah for blossoming with confidence

Important

If your child will not be able to attend nursery, please inform school on the first day of their absence on 01803 293040.
