

## Year 2 Summer Term 2022

### English

This term we are writing to entertain, we will be rewriting the story The Little Red Riding Hood changing the character of the wolf - using all the skills that we have learnt this year.

### Maths

As mathematicians Year 2 are going to be focusing on measure. We will be looking at weight, height, and mass of objects along with temperatures and movement too. We will skills we have already learnt to problem solve in different contexts.

### Relationships and Health Education

This term we are going to be learning about keeping ourselves safe. This will include personal hygiene, body parts and being able to call 999 appropriately.

### RE

This term we will be revisiting Islam and looking at what it means to be Muslim and how Muslims live.

### Geography

As Geographers we are going to be learning about the seven continents of the world and naming the oceans too.

### PE

Excitingly this term we are going to be having Sports day. Therefore, our PE lessons will be focusing on athletic skills for us to practice and get ready for sports day.

### Science

As Scientists this term we will be looking at plants and what they need to grow and survive. We will be labelling plants and planting our own too!

### Art

As Artists year 2 will be focusing on the local artist Jane Perkins and using a range of materials creatively to design and create a relief image.

### Modern Foreign Languages (MFL)

Year 2 will be learning how to name zoo animals in Spanish during the summer term. This will be done through lots of games and activities to help them remember the vocabulary.

### Music

In Music, we will be listening to songs about friendship and identifying different musical elements and styles. This will lead to us performing a song of our own, learning about beat and playing glockenspiels too.
