

9th October 2018

Year 4 Residential Experience 2019

Dear Parents,

Due to the huge benefits it offers children and the success of previous trips, we are once again arranging a residential experience for Year 4 children in 2019. This will take place in the Spring Term from Monday 11th to Wednesday 13th March 2019. Due to our growth in numbers and the amazing popularity of our previous trips, we have decided we will not be teaming up with one of our partner schools this year and only children from Ellacombe Academy will be taking part.

The children will be spending their time at Heatree Activity Centre within Dartmoor National Park, which delivers a wide range of exciting and challenging activities which will help develop new skills and facilitate team building.

We anticipate the total cost of this trip, which includes all activities, food, travel, accommodation and insurance being approximately £160 per child. Children entitled to free school meals will be able to attend at a discounted rate.

We will be holding a meeting for parents and children who wish to come along and find out more about the experience on Friday 19th October at 2.15pm in the academy hall. A representative from Heatree will be attending to give you an overview of the experience this trip will give your child, and to answer any questions you may have. Please come along and find out what they have to offer.

Yours sincerely
