

11th September 2018

Dear Parent.

As part of our lesson plan we have invited an Oral Health Educator to talk to the children about looking after their teeth on the 19th and 20th September 2018.

Disclosing (staining of the teeth by means of a dye) is part of the education provided. It enables the children to identify dental plaque on their teeth. A maximum of five children will be chosen per class but we are seeking your permission if this does involve your child.

Please complete and return the attached slip to the school as soon as possible. If it is not returned it will be assumed you have not consented.

Yours sincerely

Miss Butler (Little Horses)

Miss Leaman (Dolphins)

Name of Child. ----- Class -----

I am willing to let my child participate in disclosing of teeth during the Oral Health Educator's visit.
