Step 1:  
Go to your app store

Step 2: Search for My Ed

Step 3: Download the app

We are able to send you messages directly to the app relating to important information about your child's education and to remind you of events that are taking place at school. We will also be using the app to ask you to complete consent forms for trips, visits and other academy events in the coming months. This will enable us to streamline our administration processes for parents and help to reduce paper usage within the academy.

Please can we ask that you download the app as soon as possible to be able to enjoy the many benefits it offers. If you need any help or advice regarding the app, please do not hesitate to contact the academy office.

Yours sincerely
