

PE & SPORTS GRANT INFORMATION 2019/20

PE & Sports Grant Information	
Academy	Ellacombe C of E Academy
PE & Sports Grant Allocation August 2019 – September 2020	£ 19,720

Spending Overview :

Rationale

The Learning Academy Partnership is dedicated to delivering high quality PE & school sport to all children. We aim to raise standards in PE and equip the children with the desire, skills, knowledge and understanding necessary to lead a healthy lifestyle.

ACTIVITY	COST £	FUNDING CONTRIBUTION	IMPACT SOUGHT
Improving participation in intra and inter school sport (including minibus provision to facilitate travel)	£800	£0	Increased attendance and participation in inter school activities and a wider variety of opportunities are on offer to engage more children. Inter school festivals this year will include, netball, athletics, tag rugby, badminton, gymnastics and trampolining, rounders, basketball, football and multi skills. These will include opportunities for all children in years 1-6 and are offered by Spires College as well as our PE lead. Target vulnerable groups (PP, EAL, SEND) attendance in a variety of festivals such as Quad kids athletics days. These festivals are aimed at children that are less active and encourage greater participation in a friendly environment.
Develop opportunities for children to participate in sporting	£7,402	£7,402	High quality, specialist sports coaching, including additional provision for after school clubs will mean a huge increase in participation by many more children. This will improve health and wellbeing in children allowing them to access a range of new sports.

<p>opportunities outside of school (including after school clubs)</p>	<p>£500</p>	<p>Residential package and CPD for staff relating to these.</p> <p>£100</p>	<p>As a result of PE funding, numerous new clubs will be made available from Premier sports, Spires college and Cary Park tennis including: – tennis, football, archery, fencing, dodge ball, badminton, table tennis, gymnastics, invasion games and multi-sports.</p> <p>With such an increased provision of after school clubs for PP and SEN, will engage and focus children and will teach them strategies to enable them to learn social skills, teamwork and leadership.</p> <p>These clubs will increase the proportion of vulnerable children with additional needs engaging and growing their own personal development, including those with SEMH needs.</p> <p>With local links through many of these clubs the opportunity for children to access this provision outside of school will increase and lead to improved local club support.</p> <p>Programme of ‘graduated challenge within’ Residential experiences will lead to an increased provision of outdoor activities.</p> <p>This will be available at Heatree activity centre for Year 4 in March 2020 and Year 2 will be participating in a camping residential at our partner school Dunsford C of E academy in June 2020. This will include targeting of PP pupils, using FSM funding formulas and bespoke support for families who may not otherwise access the trips.</p> <p>We will additionally offer the opportunity to Year 6 children to attend PGL Barton hall activity centre in May 2020, with a focus on emotional wellbeing and mental health for pupils before they take their ‘SATs’ tests.</p>
<p>The improvement in partnership work on physical education with other schools and other local partners to further develop children’s gross and fine motor skills.</p>	<p>£9,078</p>	<p>£9,078</p>	<p>To develop the quality of existing PE teaching through continuing professional learning in PE for staff. Including peer teaching from PE specialist, and teachers from Spires college. This empowers all primary students to improve their health, skills and physical literacy, and have a broader exposure to a range of sports.</p> <p>The increasing vulnerability of the youngest pupils, including those with SEND or other vulnerabilities, at the academy has been identified as a need which can be supported through expert PE teaching. Through regular and specific coaching by these specialists, the gross motor skills of nursery and EYFS pupils will be improved. Alongside this, these coaches will be providing CPD for staff within those settings so that the impact of this can be continued throughout the week.</p> <p>Competitions for able and gifted pupils to provide opportunities to engage in competitions with other talented sports pupils locally.</p> <p>Promotion of healthy lifestyles through eating, keeping safe and physical fitness and raising of self-esteem.</p> <p>To assist schools, parents and children in understanding and valuing the benefits of high quality PE and sport, including its use as a tool for whole school improvement.</p>

<p>Leadership of PE and Healthy Lifestyles by specialist HLTA.</p> <p>Supporting children to lead Healthy Lifestyles: Including the introduction of the Golden Mile.</p>	<p>£18,438 (total full time)</p>	<p>£3,140</p>	<p>Inter school competition through the Golden Mile tracker will improve physical and mental wellbeing for ALL children. It will encourage children to be as active as possible and encourage them to have fun whilst being active for at least an hour per day.</p> <p>There will also be an opportunity for PP and SEND children to participate in ‘Personal challenge’ days, which will include activities aimed at their ability and will allow them to do their best and challenge themselves to improve throughout the year.</p> <p>Children across the school have additional PE through Yoga, dance and relaxation in class. Facilitated by the Go Noodle Programme, all classes use throughout the week as an additional Physical Exercise within class. PE linked to curriculum topic and skills progression in place. Games lessons – include SMSC development through teaching of: fair-play, co-operation, competition, respect.</p> <p>Increased participation and engagement in cycle skills and confidence, through ‘Bikeability’, with capacity to have increased numbers facilitated by PE Lead.</p> <p>Greater awareness amongst pupils about the dangers of obesity, smoking and other activities that undermine our health. Promotion through the curriculum from SMSC, Science and Family Groups but also through Knowledge & Understanding of fitness/health strand in PE planning.</p>
<p>TOTAL</p>	<p>£35,718</p>	<p>£19,720</p>
