

Year 1 and 2 Home Learning  
Week beginning 18/5/20

Hi Year 1 and 2! Miss Collings, Miss Davies, Mr Sherlock, Miss Hackett and Miss Toms here.

We hope you are continuing to make the most of your learning from home; we have been so impressed with everything that we have seen on social media! We love the way you have tackled home learning with just as much enthusiasm as you do in school! Hopefully, it won't be long until it is safe for us to be reunited!

The thought of seeing your smiley faces is really helping us teachers to get through this very strange time.

Stay safe, and see you soon!

<b>Maths</b>	<b>Literacy</b>	<b>Reading</b>
<p>This week is all about shapes. Can you cut out the shapes and then have a go at sorting them into different groups? First sort them by colour, then sort them by how many edges they have. If you're feeling like a challenge, can you sort them into shapes with straight edges (polygons) and shapes with curves.</p>	<p>What makes you happy? With all the wonderful thoughts of things that make you happy, use the activity sheet to create a poem all about these things.</p> <p>We are all unique and everyone has qualities that make them special. Using the activity sheet, write down examples of what you believe make you, you!</p>	<p>You might have heard on the news that a man called 'Captain Tom Moore' has recently done something amazing. Read the piece about him and see if you can answer the questions. As an extension you could write him a thank you card for his amazing efforts!</p>
<b>Science</b>	<b>Geography or History</b>	<b>Art and Crafts</b>
<p>With this beautiful weather we are seeing all of the fabulous flowers in bloom, but what are the parts of a flower? Label the activity sheet to name the basic parts.</p> <p>What does a plant need to grow? Can you fill in the activity sheet to tell me what they need. If you have been growing plants at home, maybe you could send us an email as we'd love to see them.</p>	<p>Where in the world? Linking to our well-being theme we'd like you to draw a picture of your favourite place to be. It can be anywhere in the world; from your local beach to another part of the world.</p> <p>-Capital cities. Can you name the capital cities and match the correct flags.</p>	<p>All the warm weather has us thinking about summertime. What one thing do we need for summer? Flip flops of course! Your challenge this week is to design your own flip flops; they could be superhero themed, lego themed, disney themed or just colours you like. As an extension, you might even want to create a poster to encourage people to buy your flips flops!</p>
<b>Whole School Learning Project</b>		
<p><i>'We know that school closures have been a tricky time for families and children with so much change and uncertainty. We also know how important children's well-being is.'</i></p>
