

YEAR 1 AUTUMN TERM 2020

English

Year 1 will be writing to inform this half term, creating instructions on how to play with toys from the past! To inform our writing we will research old toys, discovering how instructions show us how to play with them, focussing on the use of times connectives and bossy verbs.

Maths

In maths this term, year 1 will be learning all about numbers to 10, with the use of number bonds and number stories. We will be using various methods to solve and represent these from part, part, wholes to tens frames.

Relationships and Health Education

In RHE we will be thinking about how we show respect to our bodies and what physical contact is appropriate, with the support of trusted adults, in order to keep ourselves safe.

Key vocabulary: trusted adult, appropriate touch, penis and vagina.

RE

We will be exploring the Hindu and Christian faith show they belong. Moving forward we will focus on Christianity and discovering why Christmas is so important to the Christian faith.

History

As Historians, we will be journeying through time to discover how toys and games of the past have influenced those of the 21st Century.

PE

In PE, year 1 will be focusing on invasion games. This will include: catching and throwing, ball control and body movement control.

Science

As Scientists we are learning about the body, our basic body parts and our sensational senses. We will then discover animal classifications looking at their distinct differences.
