

## Year 4 Autumn Term 2021

### English

This term, we will be focusing on writing to inform. The children will be writing a non-chronological report about Africa, and they will choose 3 different animals to focus on. This will link to our guided reading text of 'The White Giraffe' which we will also be reading as our class story.

### Maths

In maths, we will be learning about place value and number. This will focus on numbers up to 10,000. They will be challenging themselves by explaining and proving their methods to deepen their understanding.

### Relationships and Health Education

In RHE this term, we will be thinking about how we can show respect to ourselves and others. The children will be discussing and thinking about differences between people, shared values and how to respect these similarities and differences.

### RE

In RE, we will be exploring Christianity this term. The children will be thinking about the 'Trinity' and Christian's beliefs about God.

### Geography

As geographers, we will be exploring different continents and countries. The children will be using maps and atlases to locate these and describe their features.

### PE

In PE, this half term, we will be doing invasion games. We will focus on tag rugby, learning about attacking and defending whilst working effectively as a team.

### Science

As scientists, we will be conducting a range of investigations into sound. The children will learn how we hear sounds and do experiments about different sounds.

### Design and Technology

In D&T, we will be learning how to make mechanisms to create a moving picture.

### Modern Foreign Languages (MFL)

The children will be starting to learn the Spanish language, learning how to introduce themselves, how to say how they are feeling, learn colours and numbers and names of animals.

### Music

In music, the children will be singing, playing the recorders, composing and improvising their own music. This will be based on a well-known piece of music by Abba.
