

17th January 2022

Dear Parent,

As you may be aware, there is a statutory test for Year 4 children called the 'Multiplication Times Tables Check' which will be taking place between 13th - 24th June.

We are continuing to practise times tables every day in class and we are asking all children to ensure that they are practising at home too. Lots of you have already been playing on Times Tables Rockstars which is a great tool to support their learning. On this, there is a game called 'Soundcheck' which is a replica of the test they will be sitting in the Summer term.

Enclosed with this letter, is a fact sheet from the Government with everything you need to know about the times tables check. Please have a read through and if you have any questions, please feel free to speak to us on the gates or via the school email address.

We wanted to thank you for everything you have done to support your child with their times tables learning so far.

Yours sincerely,

Miss Johns, Miss Perry and Miss Farleigh
