All clubs can be booked via the My Child at School app.

We are initially limiting parents to booking **one club per child for the term**, this will give more children the opportunity to be able to book onto a club. We will review the spaces still available in clubs after one week and open these up to parents to be able to book further clubs on a first come first served basis.

Invasion Games

This club will offer fun activities based around games, encouraging team building and PE skills.

Parkour

Kyle Perkins from Parkour Experiences will be teaching the basics of the sport in a safe and controlled manner. He will be enforcing the philosophy of Parkour, which is respect of each other and our surroundings and developing ones physical and mental strengths.

Robotics

Have you ever dreamt of having a robot butler to do the housework? In this exciting club for Year 5/6 children, you'll get the opportunity to programme a variety of devices, experiment with different controls, and combine them all to create a brilliant bot!

Samba

With a range of samba drums, the music that is made in Samba club is unmistakable, an amazing sound that you will not forget! The children will be working towards a performing at some of our events.

Games

Mrs Pollock will be teaching the children how to play board games, card games and complete puzzles in this new after school club.

Choir

We are thrilled to be continuing and growing our choir this academic year. The children will be working towards performances inside and outside of school. Children in choir last year will be given priority places this year, but we still have room for plenty of new recruits!

Yoga

Come along and learn a range of fun yoga poses and breathing exercises inspired by animals! Do you want to roar like a lion? Buzz like a bee and stretch like a cat? Then yoga is the club for you! Learn to stretch, balance and focus your mind to help you concentrate in class and feel relaxed and calm, while having fun!

Drama Club

We will be continuing our popular drama club, but spaces will be offered to children who started the club last academic year. This is due to the club being in the middle of rehearsals for a production.

Football

We are thrilled to be reviving our Year 5/6 football club. The children will be practicing their skills with the aim to be able play matches in the local area.

Please note, we encourage the children to be committed to the clubs they choose. if your child misses a club for 2 weeks in a row, they will be removed from the club and their space offered to another child.
