SUMMER TERM 2024 – CLUBS

We are thrilled to be able to carry on offering a range of after school clubs for the summer term. We are committed to providing a rich and exciting curriculum and we believe that our clubs will provide your child with a wide range of enrichment opportunities.

All clubs can be booked via the My Child at School app. We are initially limiting parents to booking one club per child for the term, this will give more children the opportunity to be able to book onto a club. We will review the spaces still available in clubs after one week and open these up to parents to be able to book further clubs on a first come first served basis.

The clubs run for 9 weeks throughout the summer term. There is a charge of £10 per club, for the whole of the term, which is payable upon booking.

Booking will open on Monday 15th April at 6pm and close on Monday 22nd April at 9.15am.

We will inform you via the My Child at School app when booking is open again for a chance to book into a second club.
