

Year 2 Summer Term 2024

English - This term we will be writing to inform, where we will be writing an information booklet and instruction writing on plants which will also be inspired by our science learning.

Maths - This term in maths we are going to be looking at time. We will be telling the time to the nearest 5 minutes using the vocab o'clock, half past and quarter past/to.

Relationships and Health Education - We will be looking at physical health and mental wellbeing and how we can recognise and improve our own.

RE - We will be looking at the gospel with a particular focus on the Good News that Jesus brought for Christians.

Geography - As Geographers, we will be comparing two different beaches - Oddicombe and one from North America. We will explore similarities and differences of both beaches.

History - We will be looking at Rosa Parks and Emily Davison and exploring the impact of their actions and how it applies to history today.

PE - In PE we will be looking at athletics. We will be practising running, jumping, throwing and catching ready for Sports Day.

Science - In science we will be exploring plants, focusing on the different parts, and having the opportunity to plant our own.

Art - This term we will be looking at Lonnie Holie, with a focus on his sculpture artwork. We will be creating our own structure work.

Modern Foreign Languages (MFL) - In Spanish, we will be looking at superheroes and linking this to different colours.

Music - We will be learning the friendship song with the children. The children will have opportunities to play the glockenspiels and recorders.

Computing - As users of technology, we will be creating digital music and linking rhythm and patterns building on our previous learning from music.
