AUTUMN TERM 2024 – CLUBS

We are thrilled to be able to carry on offering a range of after school clubs for the autumn term. We are committed to providing a rich and exciting curriculum and we believe that our clubs will provide your child with a wide range of enrichment opportunities.

The clubs run for 9 weeks throughout the summer term. There is a charge of £10 per club, for the whole of the term, which is payable upon booking.

All clubs can be booked via the My Child at School app.

We are initially limiting parents to booking one club per child for the term, this will give more children the opportunity to be able to book onto a club. We will review the spaces still available in clubs after one week and open these up to parents to be able to book further clubs on a first come first served basis.

Booking will open on Tuesday 17th September at 6pm and close on Thursday 19th September at 11pm.

We will inform you via the My Child at School app when booking is open again for a chance to book into a second club.
