SPRING TERM 2025 – CLUBS

We are thrilled to be able to carry on offering a range of after school clubs for the spring term. We are committed to providing a rich and exciting curriculum and we believe that our clubs will provide your child with a wide range of enrichment opportunities.

The clubs run throughout the spring term. There is a charge of £10 per club, for the whole of the term, which is payable upon booking.

All clubs can be booked via the My Child at School app.

We are initially limiting parents to booking one club per child for the term, this will give more children the opportunity to be able to book onto a club. We will review the spaces still available in clubs after one week and open these up to parents to be able to book further clubs on a first come first served basis.

Booking will open on Thursday 12th December at 6pm

Basketball

This club will offer fun activities based around basketball, encouraging team building and PE skills for years 4 to 6.

Sports Club

This club will offer fun activities based around games, encouraging team building and PE skills for years 1 and 2.

Robotics

Have you ever dreamt of having a robot butler to do the housework? In this exciting club for children in Years 3 and 4. You'll get the opportunity to programme a variety of devices, experiment with different controls, and combine them all to create a brilliant bot!

Choir

We are thrilled to be continuing and growing our choir this academic year. The children will be working towards performances inside and outside of school.

Drama Club

Drama club this term is open to those children who have already been in the club during the Autumn term as they are now rehearsing for their performance.

Football Club

We are thrilled that Mr Harwood will be continuing with football club. This term will be for children in Years 4 to 6. The children will be practicing their skills with the aim to be able to eventually play matches in the local area.
